

We are now taking orders for Christmas trees, turkeys and meat. We appreciated your support last year and hope we can depend on you again this year. We got great feedback, so that's a great reason to order from us.

I'm sure you know profit from these sales are a big part of the income that supports the charitable work that the trust delivers for the young people across the city and beyond.

We are proud about the quality of the sustainable trees and how tasty our high-welfare meats were. I'm also glad to report we have managed to secure the services of our original award-winning pie maker, who was unfortunately unavailable last Christmas, so pie fans of our regular pork pies can delight! A deposit of £15 is required for meat orders and for tree delivery or collection payment in full is required. Details of how to order and pay are on the order forms attached, but in summary:
