UK-Mexican electronic Latin fusion band Zenith Nadir will be touring the UK throughout June-July-August 2015. They are considered one of the most creative, futuristic and innovative bands in the independent scene in Mexico, a combination of electric violin, keyboards/synths, bass, programming and vocals in Spanish and English.

The music of Zenith Nadir has been described as 'really colourful' (David Burns ? BBC Radio Humberside), 'it makes us feel like every day is summer!!!' (Pete Bassett, 2013), 'hot music' (The Holderness Gazette) and this year will be their third UK Tour, after being described by UK audiences as 'fantastic and beautiful?', 'awesome?', 'fun, upbeat and unique?' on their previous two tours to the UK.

Zenith Nadir is considered one of the most creative, futuristic and innovative bands in the independent scene in Mexico.

Zenith Nadir have released three original albums since their formation which are currently available online in iTunes, Spotify, Amazon etc. They are now working on their 4th Album which will be released in 2016. The band have sold 90 thousand physical CDs in Mexico.
